

OUR DISTANCE LEARNING PROGRAM

- **24/7 Unlimited Access (Online or Offline):**

The online design of the courseware offers a tremendous opportunity for individuals to learn without the constraints of time or location. You have unlimited access whether online or offline, the pdf or video formats are downloadable for offline learning suitable for students with limited internet access.

- **Login and Learn Anywhere, Anytime:**

Students have the ability to learn anywhere, anytime. Spare time can be turned into an educational experience whether it is at work, home or on the road. The courseware is accessible from anywhere in the world where you can access the internet.

- **Self Paced, Interactive and Encompassing:**

Our distance learning is self-paced so that the student has complete control over training schedule times as well as the speed of the course. Students can also review the material as often as they need and with the ability to search the entire courseware on any keyword or phrase it is a great resource.

- **Include Skill Assessment:**

A skill assessment option is available. This offers the ability to track performance improvements and is helpful in pointing out weaknesses that still exist.

- **Practical [HTML, PDF & Video] Lectures:**

We provide graphical illustrations, practical enough to give vivid information about a subject or chapter; including video lessons for more practicality.

- **Industrial Training Experience:**

We help improve your technical skills via our industrial training program. Industrial Training is on the job training which provides technical skill in a practical based course or technical field. If you are interested in our industrial training; You will be asked to print out an industrial training letter after the online training; this letter will be submitted to any organization that specializes in the area of your course program in your country for 4 - 8 weeks freelance work and observation on your chosen course for real experience. It guarantees you job experience and opportunity *[Industrial Training is optional]*.
